**CONTINUUM**  
YOUR FINANCIAL FUTURE MADE REAL

## Introducing Continuum

Continuum is a fresh and modern financial advisory business that continuously strives to be the leader in our sector and to be viewed by clients, advisers, our people, our strategic partners and the regulator as the quality benchmark others should aspire to achieve.

### Key Skills:

- Professional and positive attitude
- Strong interpersonal skills
- Strong organisational skills and efficiency
- Attention to detail
- Excellent standard of written & verbal communication
- Excellent report writing skills
- Ability to empathise and build strong business relationships with Continuum Advisers
- Ability to manage own time, workload and ensure that all contractual obligations are met with Advisers
- Good understanding of compliance issues
- Ability to self-motivate

### Job Specifics:

- To deliver high quality regulatory support and guidance to Continuum advisers in relation to case submissions
- Level 4 Diploma in Financial Planning (or equivalent), working towards:
  - Chartered Financial Planner
  - Certificate in Mortgage Advice and Practice
- Monday to Friday 9am - 5.00pm
- Competitive salary and benefits package
- Home / remote working reporting to Head Office
